## CAREER OBJECTIVE

---

I am a Certified video editor with proven experience in crafting engaging content for YouTube, skilled in transitions, effects, and color correction. Seeking a position to apply my creative and technical skills in video production, delivering high-quality visual stories that enhance viewer engagement and brand reach.

## EXPERIENCE

---

### Freelance Video Editor and Content Creator

Aug 2024 - Present

Youtube Platform

Edited and produced engaging videos for multiple YouTube channels, including my own channel SR FitHealth, which focuses on health and fitness content. Applied advanced video editing techniques, optimized videos for SEO and engagement, managed content strategy to enhance audience retention and growth. Utilized analytics tools to track performance and refine content creation.

### Quality Analyst Intern

Sep 2023 - Dec 2023

Sanofi Healthcare India Private Limited (SHIPL)

As a Quality Analyst, I analyzed quality parameters, collaborated with the quality control team, and documented findings to enhance manufacturing processes. My work focused on the project titled "Evaluation of Protein Antigen Recovery at Different Stages During the Manufacturing Process." This role involved detailed quality assessments and continuous process improvements to ensure optimal production outcomes.

### Class Teacher

May 2024 - Present

Vedantu

Facilitated advanced biology discussions, bridging gaps between master teachers and students by elucidating complex topics, thereby enhancing academic comprehension and fostering a deeper understanding of the subject matter.

## INTERNSHIP/PROJECT

---
