CAREER OBJECTIVE

Creative and results-driven professional with proven experience in video editing, scripting, YouTube content creation, seeking a full-time video editing position. Known for dynamic storytelling, visual precision, and the ability to meet tight deadlines while delivering engaging content. Passionate about enhancing viewer experience through thoughtful editing and continuous learning.

EXPERIENCE

Freelance Video Editor and Content Creator

Aug 2024 - Present

Youtube Platform

- Edited and produced content for various YouTube channels, including my own health and wellness channel [SR FitHealth](#).
- Managed the entire video production cycle, from scriptwriting and clip selection to editing, audio mastering, and final exports.
- Specialized in niche content themes (e.g: devotional, fitness, wellness) by maintaining tone, emotional pacing, and culturally sensitive storytelling.
- Integrated stock footage, motion graphics, and music to enhance viewer engagement and storytelling clarity.
- Applied YouTube best practices: hook-based intros, mid-roll visual interest, viewer retention tactics, and SEO-friendly formatting.
- Delivered consistently under tight deadlines while maintaining high attention to detail, visual polish, and alignment with brand aesthetics.
- Collaborated with creators, channel managers, and clients through feedback loops, script reviews, and real-time editing tweaks.

INTERNSHIP/PROJECT

Freelance Video Editor

Youtube Channels - Telugu Traditions, Teluguism, hellotelugu

Youtube Video Links for [Telugu Tradition Channel](#), [Hello Telugu Channel](#)

- Edited and co-developed scripts for culturally themed videos, focusing on storytelling, emotional hooks, and viewer relatability.
- Applied advanced editing techniques (transitions, sound design, effects) to create high-quality, engaging content.
- Managed post-production workflows, ensuring consistency with brand voice and timely delivery.
- Contributed to scripting support where needed by restructuring content and adding voiceover prompts to enhance clarity and flow in videos.

Freelance Video Editor

Youtube Channel - [SR FitHealth](#)

- Created and published original videos centered around fitness, wellness tips, and healthy lifestyle practices.
- Implemented animation elements to improve visual engagement.
